## **9. Report of 2006 Central Council Meeting**

Phil Watts reported on this year's Central council meeting at Leicester on 29 May, where the Guild was represented by Michael Church, Hugh Routh, Tony Smith and Phil Watts. He expressed his condolences to Mike Winterbourne who had to leave earlier in the weekend due to a family illness.

Phil mentioned some of the items likely to be of interest to Guild members:

- The annual subscription to the Central Council of Church Bell Ringers from affiliated Societies will rise to £20 per representative. This will cost our Guild £100, which was thought to be good value;
- New committees can now be staffed as soon as they are created, rather than having to wait a year before they can formally start work;
- Trustees have now been appointed for the Dove database, now the Council has responsibility for it;
- The report of the Committee for Redundant Bells attracted some adverse comment. The Admin Committee is to examine the role of this committee with regard to all the committees relating to bell maintenance and restoration;
- There was also adverse comment on the long service of Tony Smith as chairman of the Methods Committee, which drew strong support for Tony from the members of the Council;
- The Tower Stewardship Committee are preparing guidance to help towers keep safe and legal in respect of legislation such as Health & Safety and Child Protection, breach of which could affect Insurance cover.

Phil Watts (Sales and Marketing Director of Ringing World Ltd) reported on the Annual Meeting of the Ringing World, where Andrew Nicholson had retired as Financial Director with the company in a stable financial position. Chris Rogers was appointed to replace him. Thanks were expressed to Guild member Paul Trend who is shortly to retire as General Manager of The Ringing World. It may soon be possible to pay Ringing World subscriptions by Direct Debit.

Tony Smith reported on the open meeting on Ringing Training. The Education Committee has created the Framework for training ringers, which is available on the CCCBR website and gives headings designed to help instructors teach ringing legally and responsibly.

### **i Trustees Report and Accounts for 2005**

- 1) Herriard - The unringable three are to be restored and augmented to six for a cost of £37,000.  
The BRF Trustees recommended a grant of £4,000.  
This was seconded by Barry Fry and passed with no votes against.
- 2) North Stoneham - Remedial work to the frame is planned to make the ring of 10 easier to handle.  
A cost of £17,000 has been derived from previous estimates dating from 2000.  
The BRF Trustees requested more details on work to be undertaken before recommending a grant.
- 3) Romsey Abbey - Removal of old bell frame(s) to the Foundry for testing and restoration with possible installation of new frame foundation and perhaps retune the 8 bells for a cost of £163,000.

Sue Craddock asked whether Guild members really wanted a Guild Dinner as it was a lot of effort to organise for the relatively low number of 70 attendees. There were expressions of support for a Guild-wide dinner from many members present and suggestions that those who always attended should bring someone else next year, that another attempt be made to get each District represented on the Social Committee to help boost ticket sales, and that tickets be sold at District meetings.

Tony Smith proposed "There should be an Annual Guild Dinner". This was seconded by Roy Le Marechal and passed with no votes against.

It is intended to hold the 2007 Guild Dinner in the Portsmouth District.

Tony Smith gave notice that he would not be standing for re-election as Guild Librarian and Archivist at the next AGM.

There being no further business, Andrew Craddock thanked the Christchurch and Southampton District for organising this successful day, the clergy and tower captains for making the bells available, the ladies for the tea which we were about to enjoy, and all those present for attending. He closed the meeting at 5.01 p.m.

The meeting was followed by the W&P 200 Club prize draw.
